

ABSTRACT SUBMISSION

Please visit the conference web site and submit abstract online. All attendees, including speakers and session chairs, must register and pay the registration fee. By submitting an abstract, the author expresses a good faith intent to present the paper at the conference. For information, please contact: ictbm2012@ictbm.org

IN-ABSENTIA PRESENTATION

Those who cannot come to Dubai but wish to present a paper in absentia are encouraged to send in their abstract by January 31, 2012. Papers presented in absentia are eligible for publication in the conference proceedings.

DIGITAL PRESENTATION

The contributing authors are required to send their abstract by January 31, 2012 and mail a DVD of their presentation by February 28, 2012. The length of presentation should be within 20 minutes. Papers accepted for digital presentation are eligible to be included in the conference proceedings.

IMPORTANT DATES

Abstract Submission: January 31, 2012
Early Registration: January 31, 2012
Full Paper Submission: February 15, 2012

Previous Feedback...

"Excellent conference! Opportunities such as this for viewing the research of others, identifying opportunities for collaboration with scholars from around the world, and simply enjoying the intellectual stimulation of outstanding plenary and technical paper sessions are so important to the advancement of the profession." R. Wayne Headrick, New Mexico State University, USA

"If I should describe in one word my personal experience from attending the past ICOQM, it is terrific. From organisation, paper contributions to venue, there is quality." Nelson Oly Ndubisi, Monash University Malaysia

"I was so impressed by the organization of the conference, the diversity of participants and their expertise in the various fields. The conference was a great success." Marielle Patronis, Zayed University, UAE

"The event was very interesting and it was a good opportunity to develop new contacts in the decision science community." Santiago Castro, Cogentus Consulting Ltd., London, United Kingdom

"It was a memorable experience for me in attending the AIMS-6 conference in December, 2008. Not only did I get an opportunity to listen to the latest developments in the domain of management research, I also made some very valuable friendships with reputed academicians!". Deepak Kapur, IMT, Ghaziabad, India

UOWD

Dubai is one of the seven emirates of the United Arab Emirates (UAE) and one of the country's main cities. It is considered to be an important tourist destination and its port, Jebel Ali, has the largest man-made harbor in the world. Dubai is also increasingly developing as a hub for service industries such as IT and finance. *Visitors from all over the world get an unforgettable experience in Dubai!*

The University of Wollongong in Dubai (UOWD) is one of the UAE's oldest and most prestigious universities. Established in 1993 by the University of Wollongong in Australia, currently ranked in the leading universities in the world, UOWD represented a very early Australian initiative in the Gulf region. From a small beginning opposite Al Mulla Plaza, through its landmark presence on Jumeirah Road to its current location at Dubai Knowledge Village, UOWD is now recognized as being an integral part of Dubai. As an independent UAE institution of higher education, UOWD attracts students not just from the UAE and Australia but from all over the world. Approximately 3,500 students representing almost a hundred nationalities are currently enrolled at UOWD and enjoy a quality academic experience.

CALL FOR PAPERS

In today's globalized world of business, every organization needs to compete globally to survive and grow. Effective Management equipped with advanced technology is widely accepted to be a key factor in making organizations successful. Technology and Management both are truly two pillars of success not just for business, for all organizations, government, public sector, non-profit, and others.

The purpose of this conference is to provide a forum that stimulates discussion on the conference theme and topics related with the theme. The conference will also provide opportunities for networking and collaboration amongst scholars from academia, industry and government.

In addition to papers on the conference theme, the scholars are also encouraged to submit papers on any aspect of management and technology such as accounting, marketing, finance, OB, HRM, MIS, quantitative methods, technology management, energy, operations, economics, entrepreneurship, information technology developments, Islamic banking and finance, sustainable developments in developing countries, crisis management, food security management, etc...
